Robbie Makinen, CEO
Kansas City Area Transportation Authority
1200 E. 18th Street
Kansas City, MO 64108

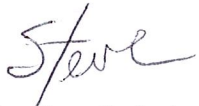

Dear Mr. Makinen:

On behalf of North Kansas City Hospital, I would like to commend the KCATA and also offer our support for the Zero Fare Transit initiative. I recently became aware of this project and know that our employees, patients and community we serve will benefit from no cost transportation.

As you may be aware, North Kansas City Hospital is a not-for-profit hospital that provides quality healthcare to the Northland and surrounding communities. Now, even more during this extraordinary year, it is imperative that those in our community have affordable transportation to receive needed healthcare services.

Thank you for providing this service to our community and for helping us to continue to fulfill our mission.

Sincerely,

Stephen Reintjes, Sr., M.D.
President and CEO
